Sebo Micro Hygiene Filters: For X1

Variant code: 16-5036ER

Sebo Micro Hygiene Filter is a **genuine replacement exhaust filter** designed for the **Sebo X1 and other Automatic X Series vacuum cleaners**. Engineered to provide high-efficiency micro filtration, this filter captures fine dust particles before air is exhausted back into the environment, helping to maintain cleaner indoor air and optimum vacuum performance.

As part of Sebo's advanced filtration system, the Micro Hygiene Filter improves air quality by trapping fine dust and airborne particles while maintaining consistent airflow and suction. Regular replacement ensures maximum filtration efficiency, protects internal components and helps your vacuum cleaner continue operating at peak performance.

Manufactured to Sebo's exacting quality standards, this genuine replacement filter offers a precise fit, long-lasting durability and simple installation. It is an essential maintenance component for ensuring reliable cleaning performance and hygienic operation of compatible Sebo Automatic X vacuum cleaners.

Product Features

- Genuine Sebo Micro Hygiene Filter
- Suitable for Sebo X1 and other Automatic X Series vacuum cleaners
- High-efficiency micro filtration media
- Captures fine dust and airborne particles
- Maintains airflow and suction performance
- Helps improve exhaust air quality
- Easy to install and replace
- Long-life filter construction

Product Benefits

- **Improves indoor air quality through efficient dust filtration**
- **Maintains optimum vacuum cleaner performance**
- **Helps protect the vacuum's internal filtration system**
- Supports cleaner and more hygienic environments

- Maintains consistent airflow and suction
- Quick replacement minimises maintenance downtime
- Extends the efficiency of the vacuum cleaner
- Genuine Sebo quality ensures reliable compatibility

Technical Characteristics

- Product Type: Micro Hygiene Filter
- Compatibility: Sebo X1 & Automatic X Series Vacuum Cleaners
- Function: Exhaust Air & Fine Dust Filtration
- Filter Media: High-Efficiency Micro Filtration
- Installation: Replacement Filter
- Construction: Genuine Sebo Component
- Application: Vacuum Cleaner Maintenance
- Suitable for Commercial and Domestic Use

Applications

The Sebo Micro Hygiene Filter is ideal for **offices, schools, healthcare facilities, hotels, retail premises, public buildings and domestic properties** using **Sebo X1 and other Automatic X Series vacuum cleaners**. Suitable for routine filter replacement, it helps maintain powerful suction, effective fine dust filtration and cleaner exhaust air while supporting professional cleaning standards and improved indoor air quality.
