Vacuum Freshener Tablets - Pack of 5

Variant code: 16-0496

Vacuum Freshener Tablets are a simple and effective way to keep rooms smelling clean and fresh while vacuuming. Infused with the refreshing **Orangina Sun fragrance**, these scented capsules are designed to be placed inside the dust bag or bag compartment of compatible vacuum cleaners, releasing a pleasant fruity aroma as air passes through the machine during operation.

Ideal for homes, offices, hotels and commercial environments, the capsules help neutralise stale vacuum odours while leaving a fresh and inviting scent throughout the cleaned area. Easy to use and mess-free, they provide an instant fragrance boost without affecting vacuum performance.

Each pack contains **5 fragrance capsules**, offering a convenient and cost-effective solution for maintaining a fresher cleaning experience.
