Selden Heritage Luxury Furniture Polish with Beeswax - Trigger Spray - 6x750ml

Variant code: 06-T010

Selden Heritage Luxury Furniture Polish with Beeswax is a **premium furniture polish** specially formulated to restore a deep, radiant shine to quality wooden furniture, antiques and leather furnishings. Combining **traditional beeswax with advanced silicone technology**, this luxurious furniture polish enhances the natural appearance of polished surfaces while providing lasting protection against moisture and everyday staining. Its **high-shine formulation** is ideal for maintaining elegant furniture and restoring a rich, lustrous finish to treasured pieces.

The advanced **beeswax and silicone emulsion** delivers effortless polishing and a superior finish, helping to enrich wooden surfaces while providing **long-lasting water-repellent protection**. The silicone content makes polishing easier and improves resistance to staining, while the traditional beeswax formulation enhances the depth and richness of the finished surface. Suitable for **quality wooden furniture, antique furniture and appropriate leather furnishings**, it provides a practical combination of appearance enhancement and protective care. Its gentle, near-neutral formulation is designed for professional furniture maintenance, although compatibility should always be checked on delicate or specialist finishes.

Featuring a **rich pot-pourri wax fragrance**, Heritage helps refresh the surrounding environment while leaving furniture beautifully polished. The convenient **750ml trigger spray bottle** allows controlled application without unnecessary overspray. Simply **shake well, spray lightly onto a clean duster and polish as usual** to achieve a smooth, radiant shine. Supplied in a **case of 6 x 750ml bottles**, providing a total of **4.5 litres**, this luxury furniture polish is particularly suitable for hotels, heritage properties, offices, hospitality venues and professional housekeeping teams maintaining high-quality furniture.
