Selden White Board Cleaner and Label Remover RTU - 6 x 750ml

Variant code: 06-825

White board cleaner ideal for cleaning and rejuvenating whiteboard surfaces removes writing, grease and grime.

Can also be used as a label remover.

N.B For prolonged use at head height or above spray onto a cloth at waist height and wipe ink away. If staining persists then repeat application with a one minute contact time. No rinsing required but residues are best wiped dry to avoid bleeding of subsequent marker pen.
