

Day of the Week Food Labels – Roll for each day – 7 Rolls of x 1000 Labels

Variant code: 14-S151

Help to minimise waste, with this simple colour-coded food rotation system from Vogue. The labels feature a bold, colour-coded design that is complemented by days of the week. This allows staff to quickly label and then find the ingredients or dishes that they need, whilst reducing the risk of using out-of-date food – helping to save your staff time whilst ensuring that fresh and safe food is served.

Supplied in 7 packs of 1000 labels, each purchase is designed to last you through many services without the need for restocking – giving you a long-lasting labelling system that is perfect for any commercial kitchen.

The labels are designed with an easy-to-remove, self-adhesive design that leaves no sticky residue on the surface of your containers. This helps to reduce bacteria build-up whilst keeping your containers in excellent condition.
