Sharps Disposal Kit - Single Use

Variant code: 21-96020

Sharps Disposal Kits ensure that any contaminated sharps, such as needles and blades can be disposed of safely.

Contaminated sharps can puncture the skin and act as a vehicle for the transmission of harmful bacteria.

Sharps Disposal Kits are the ideal way to safely dispose of these.

Regardless of the circumstance, protection from infection should be the foremost in the minds of the person tasked with their disposal.

Kit contains:

- Disposal Unit
- Bio hazard Bag
- Disinfectant Spray -30ml
- Gloves
- Disinfectant Wipe
- Forceps
- Instruction Leaflet
