Single Push Bar Vertical Panic Bolt - Silver

Variant code: 2630.01.SE

The 2630.01 is an elegant and highly functional panic bolt for single and double door applications. Incorporated as standard is an automatic top trip and easy clean floor socket. The main body is fitted with an anti-thrust device, which prevents leverage of both the top and bottom shoot bolts from their sockets.

- Non-handed
- Fire rated for use on timber and steel doors
- Surface mounted
- BS EN 1125, CE Marked and Certifire approved
