

Brillo Soap Pads – Pack of 10

Variant code: 12-515

Brillo Soap Pads are heavy-duty pre-soaped steel wool cleaning pads designed to tackle stubborn grease, burnt-on food, grime and stains across commercial and domestic cleaning environments. Combining abrasive steel wool with powerful grease-fighting soap, these professional cleaning pads provide fast and effective cleaning performance for kitchens, bathrooms and industrial applications.

Trusted by professional cleaners and catering environments, Brillo Soap Pads effortlessly remove baked-on residue, rust, soap scum and hard water marks from cookware, grills, sinks, tiles and metal surfaces. The durable interwoven steel wool construction delivers aggressive scrubbing action while the integrated soap formula activates instantly with water, eliminating the need for additional cleaning products and helping speed up cleaning routines.

Designed for convenience and efficiency, these ready-to-use soap pads are ideal for commercial kitchens, janitorial services, hospitality venues and domestic cleaning tasks requiring reliable heavy-duty cleaning power. Supplied in a convenient **pack of 10 soap pads**, they offer a practical and economical solution for demanding cleaning applications.
