Truvox Soft Brushes for Multiwash PRO 340 - Set of 2 - Grey

Variant code: 16-9007310000

Truvox Multiwash Pro 340 Soft Brushes are **professional soft-bristle replacement brushes** designed specifically for use with the **Truvox Multiwash Pro 340 scrubber dryer**. Supplied as a **pack of two**, these genuine Truvox brushes provide gentle yet effective cleaning performance, making them ideal for delicate floor surfaces and routine maintenance cleaning applications.

Manufactured with soft bristles, these brushes are designed to clean sensitive flooring without causing unnecessary wear while still delivering excellent dirt removal and floor agitation. Working in conjunction with the Multiwash Pro 340's contra-rotating brush system, they ensure thorough cleaning performance while maintaining the appearance and integrity of the floor surface.

The grey colour designation identifies the brushes as soft-grade brushes within the Multiwash accessory range, making them suitable for environments where a gentler cleaning action is required. Their durable construction ensures reliable performance and long service life in demanding commercial cleaning operations.

As genuine Truvox accessories, these soft brushes are engineered for seamless compatibility with the **Multiwash Pro 340**, helping maintain optimum machine performance and cleaning efficiency.
