Diversey Soft Care Fresh Soap H1 - Liquid Hand Soap - Case of 6 x 800ml

Variant code: 10-H1

Soft Care Fresh Soap H1 is a **mild and effective liquid hand soap** designed for everyday hand washing in professional environments. Developed by Diversey, this versatile hand cleanser is suitable for a wide range of applications including restaurants, offices, schools and public facilities, providing reliable cleansing performance while maintaining user comfort.

Formulated using a blend of **synthetic surfactants, opacifiers and skin-friendly ingredients**, Soft Care Fresh Soap H1 effectively removes everyday dirt and contaminants without being harsh on the skin. The carefully balanced formulation delivers dependable cleansing performance while remaining gentle enough for frequent daily use in busy washroom environments.

The soap contains a **pleasant fragrance** that leaves hands feeling clean and refreshed after washing, helping enhance the overall washroom experience. Its rich liquid formulation produces an effective lather that rinses away easily, making hand washing quick, convenient and comfortable for users.

Supplied in **800ml refill cartridges**, Soft Care Fresh Soap H1 is designed for use with compatible dispensing systems, supporting hygienic operation and efficient product management. The cartridge format helps reduce maintenance time while ensuring a consistent supply of hand soap in high-traffic facilities.
