Diversey Soft Care Mild Soap H2 - Hand Cleanser - Case of 6 x 800ml

Variant code: 10-H2

Diversey Soft Care Mild Soap H2 is a **gentle liquid hand cleanser** developed for everyday hand washing in professional washroom environments. Designed to provide effective cleansing while maintaining skin comfort, this mild formulation is suitable for frequent use in offices, schools, hospitality venues, healthcare facilities and public buildings where high standards of hand hygiene are required.

The cleanser features a **slightly perfumed pink liquid formulation** that delivers reliable cleaning performance while providing a pleasant hand washing experience. Its balanced composition helps remove everyday dirt and contaminants without unnecessarily drying the skin, making it suitable for regular use throughout the day.

Soft Care Mild Soap H2 produces a rich cleansing lather that spreads easily across the hands and rinses away quickly, leaving hands feeling clean, fresh and comfortable. The mild formulation supports user satisfaction in high-traffic washrooms where frequent hand washing is encouraged as part of workplace hygiene programmes.

Supplied in **800ml refill cartridges**, the product is designed for use with compatible Soft Care dispensing systems. The sealed cartridge format supports hygienic dispensing while helping reduce maintenance requirements and ensuring efficient product usage in busy facilities.
