Melamine Plus High Performance Combo Deep Cleaning Hand Pad - 62x115cm

Variant code: 03-MELCH

Melamine Plus High Performance Combo Deep Cleaning Hand Pad is a **professional dual-action cleaning pad** designed to remove stubborn stains, scuff marks, graffiti and ingrained dirt from a wide range of hard surfaces. Combining powerful melamine cleaning technology with a durable scouring layer, it provides effective deep cleaning with minimal effort.

The **blue scouring side** tackles tough grime, surface marks and accumulated dirt, while the **white melamine foam side** uses micro-abrasive cleaning action to lift stubborn stains, ink, crayon and graffiti. This versatile combination makes it ideal for intensive cleaning tasks where conventional sponges may struggle.

Featuring a **reinforced, long-lasting construction**, the pad offers improved durability compared with standard melamine sponges. Its flexible design makes it easy to clean corners, edges and awkward surfaces, while its ability to clean effectively using water alone helps reduce reliance on harsh cleaning chemicals.

Product Features

- **Dual-action design** with blue scouring and white melamine sides
- Removes stubborn stains, scuff marks, graffiti and ingrained dirt
- **Micro-abrasive melamine foam** for effective stain removal
- Durable scouring layer for heavy-duty cleaning
- Reinforced construction for extended use
