Square Bin Liners - Heavy Duty - 30L - Box of 1000 - Transparent White

Variant code: 18-BL25H

Square Bin Liners on a Roll are durable **heavy duty 30 litre waste bags** designed to provide reliable and hygienic waste disposal for commercial, industrial and domestic environments. Manufactured from strong high-quality polyethylene, these transparent white square bin liners deliver dependable tear and puncture resistance while supporting efficient and organised waste management procedures.

Designed specifically to fit standard **30 litre square bins**, these heavy-duty liners provide a secure fit that helps prevent slipping, leaks and messy spills during use. Their strong construction makes them suitable for handling general office waste, kitchen refuse, packaging and light industrial waste. Supplied in a practical **on a roll format**, the liners allow quick and convenient dispensing with perforated tear sections for efficient daily use. The **transparent white finish** improves visibility of contents for easier waste segregation and compliance while maintaining a clean and professional appearance.

Supplied in a convenient **box of 1000 liners**, these heavy-duty square bin liners provide a cost-effective and dependable waste disposal solution for high-frequency waste management environments requiring durable medium-capacity bin liners.

Product Features

- **Heavy duty square bin liners on a roll**
- **30 litre capacity**
- Designed to fit standard square bins securely
- Strong tear and puncture-resistant polyethylene construction
- Convenient roll format for easy dispensing
- Perforated design for effortless liner separation

Product Benefits

- Provides hygienic and reliable waste containment
- Helps reduce leaks, tears and messy spills
- Supports organised and efficient waste segregation
- Suitable for commercial, industrial and domestic use
- Easy to dispense, store and replace
- Helps maintain cleaner and more hygienic bin areas
- Offers economical bulk value for high-use environments

Technical Characteristics

- **30L heavy duty square bin liners**
- Transparent white polyethylene construction
- Heavy-duty tear-resistant design
- Leak and puncture-resistant performance
- Suitable for general and non-sharp waste
- Roll format for organised dispensing and storage
- Designed for square bin applications
- **Box quantity: 1000 liners**

Applications

Square Bin Liners on a Roll are ideal for offices, kitchens, workshops, warehouses, schools, healthcare environments and hospitality venues requiring hygienic and durable medium-capacity waste disposal solutions. Their heavy-duty construction and convenient roll format make them particularly suitable for high-frequency commercial waste management operations.
