Square Bin Liners - Light Duty - 30L - White - Box of 1000

Variant code: 18-BL25L

Square Bin Liners are practical **light duty 30 litre waste liners** designed for hygienic and efficient waste disposal in commercial, office and domestic environments. Manufactured for everyday light waste applications, these liners provide a reliable and economical solution for maintaining clean and organised waste collection areas.

Produced from lightweight yet dependable material, the liners are suitable for handling general low-weight waste commonly generated in offices, washrooms, kitchens and reception areas. Their **30 litre capacity** makes them ideal for standard square waste bins, while the tailored square design helps ensure a secure and stable fit during use. The clean **white finish** provides a discreet and professional appearance suitable for a wide range of workplace environments.

Supplied in a convenient **box of 1000 liners**, these light duty bin bags provide a cost-effective bulk waste management solution for high-volume facilities requiring dependable and hygienic everyday waste disposal consumables.
