Square Bin Liners - Medium Duty - Box of 500/30L - Black

Variant code: 18-BHSQBL

Square Bin Liners are durable **medium duty 30 litre waste liners** designed to provide reliable and hygienic waste disposal for commercial, office and domestic environments. Manufactured for everyday waste management applications, these practical black liners offer dependable performance for square waste bins in busy workplaces and shared facilities.

Constructed from strong and durable material, the liners are designed to resist tearing and puncturing during everyday use while securely containing general waste. Their **30 litre capacity** makes them suitable for standard square bins commonly used in offices, kitchens, washrooms, classrooms and commercial spaces. The tailored **square-fit design** helps ensure a secure liner fit, reducing slippage and maximising usable bin capacity.

The opaque **black finish** provides a discreet and professional appearance while helping conceal waste contents. Supplied in a practical **box of 500 liners**, these medium-duty bin liners provide a cost-effective and reliable waste management solution for high-use environments.

Product Features

- **Medium duty square bin liners**
