Square Bin Liners - Medium Duty - 30L - White - Box of 1000

Variant code: 18-BL25

Square Bin Liners are durable **medium duty 30 litre waste liners** designed to provide hygienic and reliable waste disposal for commercial, office and domestic environments. Manufactured for everyday waste management applications, these practical liners offer dependable performance for square waste bins in busy workplaces and shared facilities.

Constructed from strong and durable material, the liners are designed to withstand everyday refuse while helping reduce the risk of tearing or leaks during use. Their **30 litre capacity** makes them suitable for standard square bins commonly used in kitchens, offices, washrooms, canteens and general commercial spaces. The tailored **square liner design** helps ensure a secure fit inside compatible bins, reducing slippage and maximising usable bin capacity.

The clean **white finish** provides a discreet and professional appearance suitable for a wide range of environments. Available in both **Box of 1000** and **Pack of 100** formats, these liners offer flexible and cost-effective waste management solutions for both low and high-volume usage requirements.
