

Blue Dot Nitrile Gloves Large – Pair – Large

Variant code: 21-71532

Blue Dot Nitrile Gloves – Large (Pair) – Premium Protection for Versatile Use

Ensure reliable hand protection with **Blue Dot Nitrile Gloves** in size **Large**, conveniently offered as a **pair**. These high-quality, **powder-free nitrile gloves** provide an excellent barrier against a wide range of substances, making them ideal for various tasks in **healthcare, cleaning, food handling, laboratory work, automotive, and general household use**.

Crafted from durable **synthetic nitrile rubber**, these gloves offer superior **puncture resistance, tear resistance, and chemical resistance** compared to latex or vinyl alternatives. The **textured fingertips** provide enhanced **grip** and dexterity, allowing for precise handling of tools and objects, even in wet or oily conditions.

Designed for comfort and ease of use, these **disposable nitrile gloves** are ambidextrous, fitting either the left or right hand. Their **latex-free** composition makes them a safe and effective solution for individuals with **latex allergies**. The vibrant **blue colour** can be beneficial for colour-coding in specific environments and offers high visibility.

Key Features and Benefits:

- **Premium Nitrile Material:** Offers excellent strength, durability, and protection against punctures, tears, and various chemicals.
- **Powder-Free:** Reduces the risk of skin irritation and contamination, making them suitable for sensitive applications.
- **Latex-Free:** An ideal alternative for individuals with latex allergies, ensuring user safety and comfort.
- **Textured Fingertips:** Provides enhanced grip and tactile sensitivity for precise handling.
- **Ambidextrous Design:** Conveniently fits either hand, increasing efficiency.
- **Large Size:** Specifically designed for a comfortable and secure fit for individuals with larger hands.

- **Pair Packaging:** Economical and convenient for single-use applications or keeping a spare readily available.
- **Versatile Use:** Suitable for a wide range of industries and tasks, including medical examinations, cleaning, painting, food preparation, and more.
- **High Visibility Blue Colour:** Useful for colour-coding protocols and easy identification.
- **Disposable:** Designed for single use to maintain hygiene and prevent cross-contamination.

Ideal For:

- **Healthcare Professionals:** Medical examinations, dental procedures, laboratory work.
- **Cleaning Services:** Handling cleaning chemicals and maintaining hygiene.
- **Food Industry:** Safe food preparation and handling.
- **Automotive Technicians:** Protection against oils, grease, and solvents.
- **Laboratories:** Handling chemicals and biological materials.
- **Painting and DIY:** Protecting hands from paints and other materials.
- **General Household Tasks:** Cleaning, gardening, and more.
