

Stockinette Roll – Each

Variant code: 12-640

Stockinette Roll

Experience the versatility and superior performance of our Stockinette Roll, the essential cleaning tool for both professional contractors and home cleaning enthusiasts. Also known as mutton cloth, this product is a traditional and highly effective solution for a wide range of cleaning, wiping, and polishing tasks.

Made from high-quality, 100% cotton yarn, our stockinette roll features a unique open-knit texture that provides excellent absorbency and durability. Its soft, non-abrasive material ensures a streak-free, scratch-free finish on a variety of surfaces, including glass, polished wood, metal, and automotive paintwork.

The Stockinette Roll is designed for maximum efficiency and cost-effectiveness. The continuous roll allows you to simply cut the exact amount you need for each task, minimising waste and ensuring you always have the perfect size cloth for the job. Whether you're dealing with a large-scale commercial clean-up or a small domestic spill, this product adapts to your needs.

Ideal for professional cleaners, janitorial services, and facility management teams, our stockinette roll is a reliable workhorse for deep cleaning, buffing, and applying polishes or stains. Its high-absorbency makes it perfect for tackling spills and general wiping, while its soft texture is the professional's choice for achieving a pristine, high-gloss shine on delicate surfaces.

For domestic use, this is the perfect multi-purpose cleaning cloth for every room in the house. From dusting and polishing furniture to shining kitchen appliances and cleaning windows, the stockinette roll is an indispensable tool that delivers professional results at an affordable price.

Key Features & Benefits:

- **Versatile Cleaning:** Perfect for a wide range of tasks, including cleaning, wiping, polishing, buffing, and applying stains or waxes.
- **Cost-Effective:** The cut-to-size roll design eliminates waste, providing a more

economical solution compared to pre-cut cloths.

- **High-Quality Material:** Made from 100% pure cotton for superior softness, absorbency, and durability.
- **Streak-Free & Scratch-Free:** The non-abrasive, open-knit texture ensures a perfect finish on delicate and polished surfaces.
- **Multi-Purpose:** A go-to tool for both commercial cleaning contractors and domestic cleaning tasks.
- **Easy to Use:** Simply cut the desired length for a custom cleaning cloth every time.
