

Speedy Clean Sponge Scourer – Pack of 10

Variant code: 12-069

Speedy Clean Sponge Scourers are compact dual-action cleaning pads designed for efficient everyday cleaning in hospitality, holiday accommodation and domestic environments. Combining an abrasive scourer layer with an absorbent sponge backing, these practical cleaning pads provide reliable removal of grease, dirt and food residue while remaining easy to use and convenient for guest and housekeeping applications.

Perfect for holiday parks, guest accommodation, caravans, lodges and hospitality welcome packs, these small sponge scourers offer an ideal cleaning solution for short-stay environments. The abrasive side effectively tackles stubborn grime and food residue, while the soft sponge layer absorbs spills and supports general surface cleaning. Their compact size makes them easy to store and suitable for providing directly to guests as part of cleaning and kitchen starter packs.

Supplied in a convenient **pack of 10 sponge scourers**, Speedy Clean scourers provide a practical, economical and hygienic cleaning solution for both professional housekeeping teams and domestic use.
