Swing Bin Liners - Heavy Duty - Box of 500/45L - White

Variant code: 18-BL23H

Swing Bin Liners are durable **heavy duty 45 litre waste liners** designed to provide reliable and hygienic waste disposal for commercial, office and domestic environments. Manufactured for demanding everyday waste management applications, these strong white liners offer dependable performance for standard swing-top bins in busy workplaces and shared facilities.

Constructed from high-quality durable material, the liners are engineered to resist tearing and puncturing during use, helping securely contain heavier or sharper waste items while reducing the risk of leaks and spills. Their **45 litre capacity** makes them ideal for standard-sized swing bins commonly used in kitchens, offices, washrooms and commercial spaces. The clean **white finish** provides a discreet and professional appearance suitable for a wide range of environments.

For convenient dispensing and storage, the liners are supplied in **50 rolls of 10 bags**, providing efficient handling and easy stock control. Packed in a practical **box of 500 liners**, these heavy-duty swing bin liners offer a cost-effective and hygienic waste management solution for high-use environments.
