Swing Bin Liners - Light Duty - 45L - Box of 1000 - White

Variant code: 18-BL23L

Swing Bin Liners are practical **light duty 45 litre waste bags** designed to provide hygienic and economical waste disposal for homes, offices and commercial environments. Manufactured from durable lightweight polyethylene, these white swing bin liners offer reliable everyday performance for handling general low-weight waste while helping maintain cleaner and more organised waste collection areas.

Designed specifically to fit standard **45 litre swing bins**, these light-duty liners provide a secure and dependable fit that helps prevent slipping and improves waste handling efficiency. Their lightweight yet durable construction makes them ideal for paper waste, food packaging, office waste and other non-heavy refuse materials. The clean **white finish** delivers a professional and hygienic appearance suitable for kitchens, washrooms, classrooms, retail spaces and workplace environments.

Supplied in a convenient **box of 1000 liners**, these swing bin bags provide a cost-effective and practical waste disposal solution for high-frequency environments requiring dependable light-duty hygiene consumables.
