Swing Bin Liners - Medium Duty - 45L - White - Box of 1000

Variant code: 18-BL23

Swing Bin Liners are durable **medium duty 45 litre waste liners** designed to provide reliable and hygienic waste disposal for commercial, office and domestic environments. Manufactured for everyday waste management tasks, these practical liners offer dependable performance for standard swing-top bins and general waste collection applications.

Produced from strong and durable material, the liners are designed to resist tearing and puncturing during everyday use, helping contain waste securely and reduce the risk of leaks or spills. The **45 litre capacity** makes them suitable for standard-sized swing bins commonly used in offices, kitchens, washrooms and commercial facilities. Their clean **white finish** provides a discreet and professional appearance suitable for a wide range of environments.

Available in both **Box of 1000** and **Pack of 100** formats, these liners provide flexible purchasing options to suit different workplace requirements. Packed in convenient rolls for efficient dispensing and storage, they offer a practical and cost-effective waste disposal solution for both low and high-volume usage environments.
