Windmill Synergy All Purpose - Cleaner and Sanitiser Trigger Spray Bottle/Head - 750ml - Windmill Refill - Green

Variant code: 14-750SAPG

Windmill Synergy All Purpose Trigger Spray Bottle is an **empty dispensing bottle**, designed for use with compatible cleaner sanitiser solutions from the Windmill Synergy refill range. It is **not supplied with liquid**, making it ideal for controlled dilution and refill systems in professional cleaning environments.

This **750ml trigger spray bottle** features **permanently printed labelling**, ensuring product identification remains clear and compliant at all times. Unlike traditional labels, the printed design will not peel, fade or become illegible, supporting **health & safety compliance** in commercial and hygiene-critical settings.

Designed for practical, repeated use, the bottle enables accurate spray application when filled with the correct solution. It is compatible with **colour-coded trigger heads**, supporting cleaning segregation systems and helping to prevent cross-contamination across different areas.

Product Features

- **Empty 750ml trigger spray bottle** (no solution included)
- Printed bottle design – no removable labels
- Maintains **legal compliance and clear identification**
- Compatible with **colour-coded trigger heads**
- Durable and reusable construction
- Designed for Windmill Synergy refill systems

Product Benefits

- Prevents label damage or loss
- Ensures compliance in professional environments
- Supports correct dilution and refill systems
