

TC Antibacterial Lotion Foam Soap – 6x800ml

Variant code: 10-505

Highly concentrated formulation to provide a richer, denser foam quality that leaves hands feeling soft and smooth. High quality foaming soap kills 99.9% of gram positive and gram negative bacteria. Up to 72% more solids than other foaming soaps. Easy to use and cost effective solution with 2000 hand washes per 800ml cartridge. Sealed bag in box refills prevents leaking. Enriched with conditioners to soothe and soften skin. Ideal for use in washroom, food handling and processing applications.
