Rubbermaid TC AutoFoam Lotion Soap with Moisturisers - Foam Hand Soap - 4x1100ml

Variant code: 10-RVU11529

Rubbermaid TC AutoFoam Lotion Soap with Moisturisers is a professional foam hand cleansing solution designed to provide **effective and luxurious hand washing** in high-traffic washroom environments. Developed for use with AutoFoam dispensing systems, it combines rich foam performance with moisturising skin care for enhanced user comfort and hygiene.

This advanced foaming lotion soap is enriched with **skin moisturisers** that help soothe and soften hands during frequent washing. The high-quality foam delivers thorough hand coverage while leaving hands feeling clean, smooth and refreshed after use. A light floral fragrance enhances the washroom experience with a fresh, pleasant aroma.

Designed for efficiency in busy facilities, each **1100ml refill provides up to 2,750 hand washes**, helping reduce refill frequency and maintenance requirements. The hygienically sealed refill system helps eliminate contamination risks while supporting safe and controlled dispensing performance.

Supplied in pouch refill cartridges, the system is designed to allow maximum evacuation of product before disposal, helping reduce waste. Ideal for public washrooms, workplaces, hospitality venues and commercial environments requiring dependable and economical hand hygiene solutions.
