Rubbermaid TC Flex Enriched Foam Hand Wash Refill - 1300ml

Variant code: 10-3486615

Rubbermaid TC Flex Enriched Foam Hand Wash Refill is a professional foam hand cleansing solution designed to provide **effective everyday hand washing with enhanced skin care benefits**. Developed for use with the Rubbermaid Flex dispensing system, it combines economical performance with a rich, moisturising foam formulation suitable for high-traffic washroom environments.

This enriched foam hand wash contains a moisturising blend of **shea butter, vitamin E and panthenol**, helping maintain skin comfort during frequent hand washing. The rich dense lather effectively removes dirt and everyday contamination while leaving hands feeling clean, soft and refreshed.

Designed for efficiency, each **1300ml refill provides up to 3,250 uses**, making it an extremely economical solution for busy professional washrooms. The hygienically sealed refill system helps eliminate potential contamination while supporting safe and controlled dispensing.

Compatible with the **Rubbermaid Flex system**, the refill combines high-capacity performance with a modern presentation that enhances washroom aesthetics. The product is also **Green Seal certified**, supporting environmentally responsible washroom management.
