Rubbermaid TC Foam Lotion Soap with Moisturisers - Foam Hand Soap - 6x800ml

Variant code: 10-502TC

Rubbermaid TC Foam Lotion Soap with Moisturisers is a professional foam hand cleansing solution designed to provide **rich, effective and economical hand washing** in commercial washroom environments. Developed for frequent use, it combines advanced foam technology with skin-conditioning ingredients to deliver excellent cleansing performance and user comfort.

This highly concentrated formulation produces a **rich, dense foam lather** that leaves hands feeling soft, smooth and refreshed after use. Enriched with moisturising conditioners, the soap helps soothe and protect skin during repeated daily hand washing, making it suitable for high-traffic facilities.

The advanced foam technology contains up to **72% more solids than standard foaming soaps**, delivering enhanced foam quality and efficient cleansing performance. Each **800ml cartridge provides up to 2,000 hand washes**, offering a cost-effective solution for busy professional environments.

Supplied in hygienically sealed **bag-in-box refill cartridges**, the system helps prevent leaking and supports clean, efficient dispenser operation. Ideal for use in washroom applications across workplaces, public facilities and commercial environments.
