Rubbermaid TC Lotion Spray Soap with Moisturisers - Spray Hand Soap - 6x800ml

Variant code: 10-500

Rubbermaid TC Lotion Spray Soap with Moisturisers is a professional spray hand cleansing solution designed to provide **effective and economical hand washing** in high-traffic washroom environments. Developed for use in busy public and commercial facilities, it combines efficient dispensing performance with a mild, skin-friendly formulation suitable for frequent use.

The advanced spray soap formulation produces a **thick cleansing lather** that delivers thorough hand coverage while using minimal product per application. Its mild composition with added moisturisers helps maintain skin comfort during repeated daily hand washing.

Designed for maximum efficiency, the system delivers up to **4,000 hand washes per 800ml refill**, helping reduce running costs and refill frequency in demanding environments. The sealed disposable refill system helps prevent leaking and clogging while supporting hygienic dispensing performance.

Ideal for use in **public washrooms, retail outlets, education facilities and leisure complexes**, the product is supplied as a **case of 6 x 800ml refills** and is suitable for high-capacity professional washroom systems.
