Rubbermaid TC Spray Alcohol Hand Rub - 12x400ml

Variant code: 10-2146695

Rubbermaid TC Spray Alcohol Hand Rub is a professional alcohol-based hand sanitising solution designed to provide **rapid and effective protection against bacteria, viruses and yeasts** in hygiene-critical environments. Developed for use with Rubbermaid manual hand sanitiser and soap dispensers, it delivers fast-acting hand disinfection with skin-conditioning benefits for frequent daily use.

Formulated in line with **World Health Organisation recommendations** for alcohol content, the sanitiser contains **65.53% w/w ethanol** and is capable of killing **99.99% of common germs**. The quick-drying formula disinfects hands within **30 seconds**, helping reduce the risk of infection while avoiding sticky residue after use.

The fragrance-free formulation is suitable for sensitive skin and contains moisturising ingredients that help prevent dryness during repeated application. Tested to multiple European Standards including **EN1500, EN1276, EN13727+A2, EN14476+A1 & A2, EN1650+A1 and EN13624**, the sanitiser supports professional hygiene compliance in demanding environments.

Supplied as a **box of 12 x 400ml cartridges**, the product is designed for use with compatible Rubbermaid dispenser systems. The sanitiser also carries **NSF certification** and offers a **2-year shelf life from date of manufacture**.
