

TC Spray Alcohol Hand Rub – 12x400ml

Variant code: 10-2146695

Designed for use with Rubbermaid's Manual Foam Hand Sanitiser Dispensers & Soap Dispensers, and formulated in line with World Health Organisation guidelines, the Alcohol Plus Hand Sanitiser Refill provides effective protection from the risk of bacteria, viruses, and yeasts. Capable of killing 99.99% of germs, the quick-drying, fast-acting formula disinfects hands in up to 30 seconds, while the moisturising ingredients protect hands from becoming dry as a result of consistent and regular use

Features and Benefits

- Formulated in line with World Health Organisation recommendations for 70% alcohol content
- Capable of killing 99.99% of common germs and fully tested against bacteria, viruses and yeasts
- Quick-drying, fast-acting formula disinfects hands within 30 seconds, protecting against the risk of infection and eliminating unpleasant residue that leave hands sticky
- Moisturising ingredients help prevent skin becoming dry from frequent use
- Fragrance-free formulation protects sensitive skin from irritation
- Features a 2-year shelf life from the date of manufacture
- Tested for efficacy in line with European Standards EN 1500, EN 1276, EN 13727 + A2, EN 14476 + A1 & A2, EN1650 + A1, and EN 13624
- Contains 65.53% w/w of ethanol (CAS 64-17-5)
- NSF certified as compliant with standard requirements that guarantee product quality, compliance, and safety
