# Terry Check Tea Towels - Pack of 10

**Variant code: 12-628**

**Terry Check Tea Towels** are durable and highly absorbent kitchen towels designed for efficient drying, wiping and general cleaning tasks in commercial and domestic environments. Manufactured from 100% terry cotton, these professional tea towels provide excellent moisture absorption and long-lasting performance for busy kitchens, catering operations and hospitality settings.

Designed for everyday kitchen use, these terry check tea towels combine soft cotton comfort with durable woven construction to deliver reliable drying and wiping performance. The textured terry fabric efficiently absorbs moisture from crockery, glassware, cookware and work surfaces while remaining gentle on delicate items. Supplied in assorted colours, these tea towels also support colour-coded cleaning systems and practical kitchen organisation.

Supplied in a convenient **pack of 10 tea towels**, these reusable cotton towels offer a practical and economical solution for restaurants, catering businesses, hospitality venues, staff kitchens and domestic households.
