

## Thermal Trouser – L – Sky Blue

**Variant code: 22-B121SBRL**

The B121 creates a layer of warmth around the lower body. The soft poly-cotton fibres and fabric knitting mean that heat is trapped in. Cuffed hem and elasticated waist provide a comfortable fit.

| Property | Value      |
|----------|------------|
| Colour   | Light Blue |
| Size     | L          |
