Variant code: 18-NS20

Keep nappy disposal hygienic, convenient, and odour-controlled with our **Tie Handle Nappy Bags – Pack of 200**. This essential product for parents and caregivers offers a simple and effective solution for dealing with soiled nappies, both at home and on the go.

Key Features and Benefits:

- **Large Pack Size (200 Bags):** This generous pack of 200 nappy bags ensures you have a long-lasting supply, reducing the frequency of reordering and offering excellent value for money. Perfect for busy parents.
- **Convenient Tie Handles:** Each bag is designed with integrated tie handles. This thoughtful feature allows you to securely seal the bag after placing the nappy inside, effectively containing odours and preventing leaks. The tied handles also provide a comfortable and hygienic way to carry and dispose of the bag.
- **Hygienic and Odour-Controlling:** Made from durable and leak-resistant material, these nappy bags help to maintain a clean and odour-free environment. By quickly sealing the soiled nappy, you minimise unpleasant smells in your home or while travelling.
- **Easy to Use:** Simply place the soiled nappy inside the bag, pull the tie handles together, and tie them securely. The straightforward design makes nappy disposal quick and effortless, even with one hand.
- **Versatile for On-the-Go Use:** Lightweight and compact, this pack of nappy bags is ideal for use at home, nurseries, daycare centers, and when you're out and about with your baby. Keep a roll in your changing bag for convenient disposal wherever you are.
- **Durable and Leak-Resistant:** You can rely on the quality of these bags to contain waste effectively without tearing or leaking, providing peace of mind.
- **Essential for Baby Changing:** A fundamental item for any baby changing

routine, these tie handle nappy bags simplify the process and contribute to a cleaner and more pleasant environment for both you and your baby.

Make nappy disposal a breeze with our **Tie Handle Nappy Bags – Pack of 200**. Order yours today and enjoy a cleaner, more hygienic way to manage baby waste!
