Tiger Stripe Clinical Waste Bags - Medium Duty - 90L - Box of 250 - Yellow

Variant code: 18-TIG250

Tiger Stripe Clinical Waste Bags are durable **medium duty 90 litre clinical waste sacks** designed for the safe, hygienic and compliant disposal of non-infectious healthcare waste. Manufactured from strong high-quality polyethylene, these yellow tiger stripe bags provide dependable containment while supporting healthcare waste segregation and infection control procedures.

Featuring the instantly recognisable **yellow and black tiger stripe design**, these clinical waste bags help ensure correct identification and separation of offensive and non-hazardous clinical waste streams in accordance with healthcare waste management protocols. Their generous **90 litre capacity** reduces the frequency of bag changes, while the medium-duty construction provides excellent resistance to tears and punctures during handling and transportation.

Supplied in a practical **box of 250 bags**, packed as **5 rolls of 50 bags**, these waste sacks offer convenient dispensing, efficient storage and a cost-effective waste management solution for healthcare facilities and professional clinical environments.

Product Features

- **Medium duty tiger stripe clinical waste bags**
- **90 litre capacity**
- Distinctive yellow and black tiger stripe design
- Strong tear and puncture-resistant polyethylene construction
- Suitable for non-infectious clinical and offensive waste
