Tiger Stripe Clinical Waste Bags – Medium Duty 90L – Yellow (250 Bags)

Ensure safe and compliant disposal of clinical and healthcare waste with these durable, medium-duty yellow tiger stripe bags. Supplied in a cost-effective box of 250 (5 rolls of 50).

Maintain the highest standards of hygiene and safety in your medical facility, laboratory, dental practice, veterinary clinic, or care home with our **Tiger Stripe Clinical Waste Bags**. These **medium-duty waste bags** are specifically designed for the secure and responsible disposal of non-infectious clinical waste, adhering to stringent healthcare regulations.

Each bag features the instantly recognisable **yellow with black tiger stripe** design, clearly indicating its intended use and helping to segregate waste streams effectively. With a generous **90-litre capacity**, these bags are ideal for handling a significant volume of waste, reducing the frequency of bag changes.

This bulk pack contains **250 clinical waste bags**, conveniently organised into **5 rolls of 50 bags per roll**. This format ensures easy dispensing and storage, making them a practical and economical choice for busy healthcare environments.

Key Features:

- **Highly Visible Design:** Distinctive **yellow and black tiger stripes** for clear identification of clinical waste.
- **Medium Duty Strength:** Robust construction provides excellent tear and puncture resistance for safe containment.
- **Generous 90 Litre Capacity:** Suitable for handling substantial amounts of non-hazardous healthcare waste.
- **Cost-Effective Bulk Pack:** Supplied as a **box of 250 bags** (5 rolls of 50), offering excellent value.

- **Convenient Roll Format:** Easy to dispense and store, minimising handling time.
- **Compliant Waste Disposal:** Supports adherence to healthcare waste management protocols.
- **Ideal for Various Settings:** Perfect for hospitals, clinics, doctor's surgeries, dental practices, laboratories, nursing homes, and veterinary practices.
- **Durable Material:** Manufactured from high-quality polyethylene for reliable performance.

Benefits:

- **Enhances Safety:** Clearly identifies clinical waste, reducing the risk of mishandling and cross-contamination.
- **Improves Efficiency:** Large capacity minimises bag changes, saving time and resources.
- **Cost-Effective Solution:** Bulk packaging offers significant savings compared to smaller quantities.
- **Ensures Compliance:** Facilitates adherence to waste segregation and disposal regulations.
- **Easy to Use and Store:** Convenient roll format simplifies handling and storage.
