Tork Extra Mild Foam Hand Soap S4 - 6 x 1L

Variant code: 10-520701

Tork Extra Mild Foam Soap S4 is a premium foam hand cleansing solution developed to provide **gentle and effective hand washing for sensitive skin** in professional washroom environments. Designed for frequent use, the mild formulation combines high-quality foam cleansing performance with skin-friendly ingredients to support comfort and hygiene in demanding workplaces.

This perfume and dye-free foam soap contains **rich and replenishing ingredients** proven mild to the skin, helping reduce the risk of irritation during repeated daily hand washing. The formulation is **dermatologically tested** and suitable for environments where sensitive skin considerations are important.

Certified by **ECARF (European Centre for Allergy Research Foundation)**, the soap is designed for allergy-sensitive environments requiring dependable and skin-friendly hygiene solutions. The rich foam lather provides effective cleansing while leaving hands feeling soft, clean and refreshed after use.

Supplied in hygienically sealed **1L refill cartridges**, the system includes a **single-use pump** to help reduce the risk of cross-contamination. The recyclable bottle is designed to collapse during use, helping reduce waste volumes and support more sustainable washroom management.
