Tork H1 Advanced Matic - Blue Hand Towel Roll 2 Ply - 150m/38mm Core - Case of 6

Variant code: 01-415

Tork H1 Advanced Matic Blue Hand Towel Roll is a professional **2 ply hand drying solution** designed for use with the **Tork Matic H1 dispenser system**. Developed for busy commercial washrooms, these high-capacity towel rolls help maintain efficient hand drying while reducing maintenance requirements and supporting hygienic washroom operation.

Each roll provides **150 metres of embossed 2 ply paper** on a **38mm core**, delivering excellent absorbency and reliable drying performance. The embossed towel design improves absorption efficiency, allowing users to dry hands quickly and effectively with reduced towel usage. Combined with the controlled single-sheet dispensing system, this helps minimise waste, lower operating costs and reduce the risk of cross-contamination in shared washroom environments.

Designed for high-traffic locations, these blue hand towel rolls provide a professional and hygienic washroom experience suitable for a wide range of commercial sectors. The high-capacity format reduces refill frequency, making them ideal for facilities requiring efficient maintenance and consistent hand hygiene standards.

Product Features

- **2 ply blue hand towel roll** for professional washrooms
- Compatible with the **Tork Matic H1 dispenser system**
- **150m roll length** with **38mm core**
- Embossed towel design for improved absorbency
