Tork H1 Matic Hand Towel Rolls - White - 1 Ply - 280m - Extra Long - Case of 6

Variant code: 01-290059

Tork H1 Matic Universal Hand Towel Roll is a high-capacity **1 ply hand drying solution** designed for busy commercial washrooms where efficiency, hygiene and reduced maintenance are essential. Developed for seamless compatibility with the **Tork H1 Matic dispenser system**, these extra-long rolls provide reliable and cost-effective hand drying performance across a wide range of professional environments.

Each roll delivers an impressive **280 metres of white paper towel**, significantly reducing refill frequency and helping minimise washroom maintenance requirements. The controlled **one-at-a-time dispensing system** helps reduce unnecessary paper usage, lower operating costs and improve hygiene by ensuring users only touch the towel they use. This hygienic dispensing method also helps reduce the risk of cross-contamination in shared washroom facilities.

The economical **1 ply construction** provides dependable absorbency while supporting efficient consumption control. Designed for high-traffic washrooms, these extra-long rolls help maintain continuous paper availability while improving operational efficiency and reducing waste.

Product Features
