

Hand Towel Roll Dispenser – Tork H1 Intuition Sensor Elevation Matic – Plastic – White

Variant code: 28-H1551100

A modern take on a washroom necessity, the Tork Matic® hand towel roll dispensers are sleek and sophisticated to bring a touch of class to any workplace bathroom.

Requiring minimum maintenance, these dispensers feature a refill indicator to keep it functioning smoothly.

Made with smooth and easy to clean surfaces, the Tork Matic® reduces the risk of cross-contamination, dispensing single sheets for reduced waste.

Features and Benefits

- Dispenses single sheets to reduce waste
- Intuitive maintenance technology reduces downtime
- Ideal for busy washrooms and other high traffic areas
