Tork H2 Premium Extra Soft - Folded Hand Towels - Multifold - 2 Ply - Case of 2100

Variant code: 01-100297

Tork H2 Premium Xpress Interfold Hand Towels are a premium **2 ply hand drying solution** designed to deliver superior hygiene, comfort and efficiency in professional washroom environments. Developed for use with the **Tork H2 Xpress dispenser system**, these interfold towels provide controlled dispensing and reliable drying performance for medium-traffic washrooms.

The interfold design supports **one-at-a-time towel dispensing**, helping reduce cross-contamination risks while promoting responsible consumption and lowering waste levels. Manufactured from Tork's strong and highly absorbent premium paper, the towels provide effective hand drying using fewer sheets per use, helping improve operational efficiency and reduce refill frequency.

The soft 2 ply construction delivers a high-quality user experience, making these towels suitable for professional environments where comfort and presentation are important. Their compact folded format also makes them ideal for washrooms with limited dispenser space while still maintaining high hygiene standards and efficient operation.
