Tork H3 - Folded Hand Towels - Premium Interfold - 2 Ply - White - Case of 3000

Variant code: 01-322

Tork H3 Premium Interfold Hand Towels are a high-quality **2 ply hand drying solution** designed to deliver superior comfort, absorbency and hygiene in demanding professional washroom environments. Developed for compatibility with the **Tork H3 Singlefold dispenser system**, these premium interfold towels provide reliable and efficient dispensing suitable for busy commercial facilities.

Manufactured using soft and highly absorbent 2 ply paper, these towels provide a premium hand-drying experience while helping reduce overall towel usage. The interfold design supports **one-at-a-time dispensing**, helping minimise waste, lower operating costs and reduce the risk of cross-contamination in shared washroom environments. The bright white finish and premium paper quality help maintain a clean, professional and welcoming washroom appearance.

Designed for high-traffic environments, the bulk case format helps reduce refill frequency and supports efficient washroom maintenance procedures. Their combination of softness, absorbency and controlled dispensing makes them suitable for facilities prioritising hygiene, presentation and operational efficiency.
