# Tork Matic H1 - Hand Towel Rolls - White - 150m – Case of 6

**Variant code: 01-416**

**Tork Matic H1 Soft White Hand Towel Roll** is a premium **2 ply hand drying solution** designed to deliver superior hygiene, comfort and efficiency in professional washroom environments. Developed for use with **Tork Matic H1 dispenser systems**, these high-quality hand towel rolls provide reliable performance while enhancing washroom presentation and user experience.

Crafted for softness and absorbency, these white hand towels provide a comfortable and effective hand drying experience. The **2 ply construction** ensures excellent absorption, helping users dry hands thoroughly while reducing towel consumption. Featuring a subtle **leaf embossed pattern**, the towels add a refined appearance to washroom facilities, supporting a professional and premium environment.

The controlled **one-at-a-time dispensing system** helps minimise waste and reduce operating costs by lowering overall towel usage. This hygienic dispensing method also reduces the risk of cross-contamination, making it suitable for busy commercial washrooms where hygiene standards are essential.
