Tork S1 Premium Mild Liquid Soap - 6 x 1L

Variant code: 10-215

Tork S1 Premium Mild Liquid Soap is a high-quality hand cleansing solution designed to provide **effective and gentle everyday hand washing** in professional washroom environments. Developed for use with **Tork S1 dispensing systems**, it delivers reliable hygiene performance with a mild formulation suitable for **frequent daily use**.

This **mild, creamy liquid soap** produces a **rich and creamy lather**, helping to effectively remove dirt and everyday contamination while remaining gentle on the skin. Its **dermatologically tested formulation** makes it suitable for environments where user comfort and skin care are important.

Designed as an **all-purpose hand soap**, it is suitable for a wide range of workplace and public washroom applications. The **economical formulation** ensures efficient use, while the **sealed refill system** supports hygiene and minimises waste during replacement.

The **quick and easy refill design** helps reduce maintenance time and simplifies dispenser servicing in busy washroom environments. Supplied as a **case of 6 x 1L cartridges**, it is ideal for high-use professional facilities requiring dependable hand hygiene solutions.
