Tork Shower Cream - Shower & Body Wash - 1L

Variant code: 10-216

Tork Shower Cream is a premium body cleansing solution designed to provide **gentle, moisturising shower care** in professional washroom and shower environments. Developed for hotels, schools and sports facilities, it combines effective cleansing performance with a refreshing unisex fragrance and skin-friendly formulation.

This caring shower cream features a **gentle pearly formulation** enriched to leave skin feeling **soft, clean and refreshed** after use. The refreshing unisex fragrance makes it suitable for shared facilities and everyday use across a wide range of environments.

The formula is **dermatologically tested** and developed with a **skin-friendly pH**, helping support skin comfort during frequent use. Designed for compatibility with **Tork Liquid & Spray Soap Dispensers**, the sealed refill system helps reduce contamination risk by providing a **new hygienic pump with every refill**.

The refill bottles are designed for **fast and effortless replacement in under 10 seconds**, helping reduce maintenance time for cleaning staff. The collapsible bottle design also helps reduce waste volume by up to **70%**, supporting more efficient waste handling in high-use facilities.
