Tork S11 Universal Spray Soap - Fragrance-Free Hand Soap - Case 6 x 1L

Variant code: 10-620501

Tork S11 Universal Spray Soap is a **fragrance-free and colour-free hand soap** designed for efficient everyday hand hygiene in professional washroom environments. Developed for use with the **Tork S11 Spray Soap System**, this mild formulation provides effective cleansing while remaining gentle on the skin, making it suitable for frequent use in workplaces, public facilities and commercial environments.

The advanced spray soap technology delivers up to **3,000 doses per 1L refill**, helping maximise efficiency while reducing soap consumption and maintenance requirements. Its mild formulation is suitable for all skin types and contains no added fragrance or colourants, making it ideal for users with sensitive skin and environments where neutral products are preferred.

Designed for hygiene and convenience, the refill features a **sealed bottle with a single-use pump**, helping minimise the risk of cross-contamination while maintaining high washroom hygiene standards. The bottle collapses as the product is used, helping reduce waste and improve sustainability. The refill system is also quick and easy to replace, reducing maintenance time in busy facilities.

Certified with the **EU Ecolabel**, Tork S11 Universal Spray Soap supports environmentally responsible washroom management while delivering reliable cleansing performance and excellent cost efficiency.
