Tork S2 Premium - Mild Mini Liquid Soap - Case of 8 x 475ml

Variant code: 10-420502

Tork S2 Premium Mild Mini Liquid Soap is a **mild liquid hand soap** developed for everyday hand washing in professional washroom environments. Designed for use with the **Tork S2 Liquid Soap System Small**, this premium formulation delivers effective hand cleansing while helping maintain skin comfort, making it suitable for workplaces where frequent hand washing is required.

The soap is formulated to provide a balance of cleansing performance and skin care, helping remove everyday dirt and impurities while remaining gentle on the skin. Its mild formulation supports regular use throughout the day, making it ideal for offices, hospitality venues, healthcare facilities, education settings and public washrooms. The premium liquid soap produces a rich lather that rinses away easily, leaving hands feeling clean and refreshed.

Designed for compatibility with the **Tork S2 Mini Liquid Soap System**, the sealed refill format promotes hygienic dispensing and simplifies maintenance. Each refill is designed for quick replacement, helping reduce servicing time while supporting consistent washroom operation. The compact system is particularly suited to washrooms where space is limited but high standards of hygiene must be maintained.

Supplied in a **case of 8 x 475ml refills**, Tork S2 Premium Mild Mini Liquid Soap provides an efficient and professional hand hygiene solution for a wide range of commercial environments.
