

Tork T7 Coreless Toilet Rolls – 93m – Case of 24

Variant code: 01-690A

Tork T7 Advanced Coreless Mid-Size Toilet Roll is a high-efficiency toilet tissue solution designed for professional washroom environments where guest satisfaction, hygiene and operational efficiency are important. Developed for use with the **Tork Twin Coreless Mid-size Toilet Roll Dispenser system**, these compact high-capacity rolls help ensure continuous paper availability while reducing waste and maintenance requirements.

Each roll provides **93 metres of toilet tissue** in a compact coreless format, with every roll equivalent to approximately **4–5 conventional toilet rolls**. The coreless design eliminates cardboard core waste, supporting improved sustainability and reduced disposal requirements. Featuring discreet embossing, the tissue provides a clean and professional appearance suitable for modern washroom environments.

The Tork Twin dispenser system holds two full rolls simultaneously, helping minimise run-outs and supporting efficient washroom management in low- to medium-traffic locations. The balance of performance, cost efficiency and reduced waste makes this system particularly suitable for commercial facilities focused on operational reliability and user satisfaction.

Product Features

- **Coreless mid-size toilet roll** for professional washrooms
- Compatible with the **Tork T7 Twin dispenser system**
- **93m roll length** in compact format
- Each roll equivalent to approximately **4–5 standard toilet rolls**
- **Coreless design** eliminates cardboard waste
- Discreet embossing for enhanced washroom presentation
- Supplied as a **case of 24 rolls**

Product Benefits

- Reduces waste through coreless roll design

- Supports efficient washroom management with high-capacity rolls
- Helps maintain continuous paper availability for users
- Reduces refill frequency and maintenance time
- Enhances guest satisfaction with reliable tissue supply
- Provides balance between performance and operational cost
- Suitable for low- to medium-traffic professional washrooms

Technical Characteristics

- Compatible with **Tork T7 Twin Coreless dispensers**
- Coreless mid-size toilet tissue format
- Roll length: **93 metres**
- Compact high-capacity roll construction
- Discreet embossed tissue finish
- Designed for efficient dispensing and reduced maintenance
- Store in a clean, dry environment before use

Applications

The **Tork T7 Advanced Coreless Mid-Size Toilet Roll** is suitable for use in **offices, restaurants, hospitality venues, schools, healthcare environments and commercial washrooms** where efficient washroom management and guest satisfaction are priorities. It is particularly effective in low- to medium-traffic facilities seeking to reduce waste, minimise maintenance requirements and maintain reliable toilet tissue availability.
