

Toilet Roll Dispenser – Tork T8 SmartOne – Single – Plastic – White

Variant code: 28-680000

Tork SmartOne® Toilet Roll Dispenser T8: When it comes to maintenance, high-traffic washrooms can be costly and time-consuming.

The Tork SmartOne® Toilet Roll Dispenser is a modern and efficient solution. It uses single-sheet dispensing to cut paper use by up to 40% compared to traditional jumbo toilet roll dispensers, reducing your consumption levels.

The high-capacity dispenser also serves more people per roll, satisfying guests and minimising refill time. Prevent pilferage in demanding environments, thanks to its lock and robust design.

Features:

- High capacity and less waste for reduced maintenance
- Single-sheet dispensing cuts consumption levels
- Improve hygiene as guests touch only what they take
- Locking feature protects rolls
- Ideal for high-traffic washrooms
- Hygienic: only touch the sheet being used
