

Toilet Roll Dispenser – Tork T8 SmartOne – Plastic – White

Variant code: 28-294020B

The Tork SmartOne Toilet Roll Dispenser is an efficient and very robust dispensing system suitable for demanding washrooms with high traffic. The sheet-by-sheet dispensing helps to reduce consumption by up to 40 % when compared to traditional jumbo roll dispensers, which means more visits per roll. It is hygienic as guests only touch the paper that they use. It has an extremely robust design with a metal key and lock that protects the roll and stops theft. An extra high capacity saves maintenance time and ensures that paper is always available.
