Variant code: 01-695

The Tork SmartOne Mini Toilet Roll System uniquely delivers one hygienic sheet at a time, helping to reduce consumption by up to 40% compared to traditional jumbo roll dispensers, which means more visits per roll. Tork SmartOne Mini high-capacity rolls are suitable for demanding washrooms from low to medium to high traffic, depending on which Tork SmartOne Mini dispenser is chosen. The high-capacity single-sheet dispensing roll saves maintenance time and ensures that paper is always available. Quick disintegration and reduced consumption minimises the risk of expensive pipe blockages. Soft tissue with high brightness and the Tork leaf print for a good image. SmartCore® core removal – for fast and easy refilling.
